### Restoration Experience

Henkels & McCoy has been performing a wide variety of restoration services for decades. We have long-term relationships with state and local municipalities as well as commercial clients. We are especially proud of the fact that we have been providing restoration services to PECO for more than thirty years.

### Coordinated Expertise

Henkels & McCoy's seasoned restoration professionals average more than ten years of experience in the field. Team members, from managers to field staff, are cross-trained in all aspects of restoration work. Our customers benefit from unsurpassed communication and efficiencies of time and cost.

### Safety Consciousness

The culture of safety at Henkels & McCoy is based on training, inspection, and discipline. The safety of our employees, our customers, and their customers is paramount. Our CIRCLE 4 SAFETY Program serves as a daily reminder to our employees that safety consciousness begins with them and surrounds each task, the job site, and beyond.

### Quality Standards

Quality performance is a result of systematic planning, execution, coordination, and verification. Our Corporate Performance group oversees the productivity, quality and customer-relations initiatives of our operating units. We realize our goals through customer surveys, performance appraisals, and the development of metrics designed to stimulate Peak Performance.

Our commitment to Performance is second only to our commitment to Safety.
